

## **Biography: Molly Kenney**

Molly Kenney is an accomplished hunter, jumper and equitation trainer. She has ridden and worked in the U.S. and Europe, with top trainers such as Beezy Madden, qualified in the USET finals, and was in the top 20 for the Maclay National Championship for 2 years. Molly's relaxed, systematic approach to jumper training has taken her to Grand Prix level. Being sensitive, and "feeling" the horse – and teaching her students the same – is one of Molly's hallmarks. You'll have a more forward, fluid horse after working with Molly.

If you are looking for someone who teaches with a plan, and is quiet and sensitive with your horse, Molly is your answer.
